

**April is ORAL CANCER AWARENESS MONTH**

In honor of **ORAL CANCER AWARENESS MONTH**, **GULF COAST DENTAL CENTER**, will be offering a **FREE** dental examination which includes radiographs and oral cancer screening

**ORAL CANCER** is not a rare disease. It can kill roughly one person an hour each day. The good news is that it can be detected early with a simple, painless oral cancer screening

**Please join us in the celebration of spreading awareness by scheduling your appointment on:**

**FRIDAY, April 25, 2014 9am-1pm**

**SATURDAY, April 26, 2014 10am-2pm**
